CIS / NSW All Schools Triathlon Championships

If you are interested in competing in the individual event at the CIS / NSW All Schools Triathlon Championships please email sport.admin@oxley.nsw.edu.au or come to the Sports Office **before Monday 28 February to register your intent to compete**. If you haven't competed for Oxley in past years, please email your split times from your last Triathlon.

Do you need Service hours and love spending a day outside? Are you abnormally fond of ponytails? Then consider volunteering to help out for the Oxley Equestrian Day! This will take place on Sunday 1 May. We have lots of different types of roles and we need YOU to help get these ponies where they need to be. Please contact Dr Radford at fiona.radford@oxley.nsw.edu.au if you are interested.

The GD Champs: Sunday 6 March at Welby!

The GD Champs is a mountain bike event that commemorates the life of George Dummer (2005-2020). This year the format is an Enduro-style race, where students compete individually, riding 3 sections of trail, with their times on each section combining to an overall score and their school's point score. Riders of all ability levels are welcome! Categories are male and female Junior (Y7-8), Intermediate (Y9-10) and Senior (Y11-12). We want Oxley College to have the biggest team at the event, as this is a wonderful opportunity to show support for the Dummer family, not to mention have fun riding bikes! Entry is on the Rocky Trail Entertainment Website, under Rocky Trail Academy. For any questions, email or talk to Ms Stanton.

Volunteers needed - If you would like to volunteer to help as a course marshal at the GD Champs, please email Ms Stanton. You can use this service as service learning hours for Duke of Ed.

THE DA VINCI DECATHLON IS AN ACADEMIC COMPETITION DESIGNED TO CHALLENGE AND STIMULATE THE MINDS OF SCHOOL STUDENTS.

Oxley is considering entering a Year 7/8 team in this year's Illawarra da Vinci Decathlon. Training will be held at school each Wednesday afternoon in room 29 from 3.30pm – 5.00pm. If you are interested, you will need to complete the online application form & come along on **Wednesday 2 March**. Final teams will be selected by Thursday 7 April.

On the day, students will compete in teams of 8 across 10 disciplines:

- Engineering
- Mathematics and chess
- Code breaking
- Art and poetry
- Science
- English
- Ideation (the formation of ideas or concepts)
- Creative producers (short performance)
- Cartography (mapping skills)
- Legacy (honouring significant people, inventions and events from the past and the present)

Thank you, Miss Maher
