

SCHOOL BOOKLIST

Box of Books
the future of classroom resourcing

Oxley College

Year 10 Booklist

Welcome to Box of Books

Box of Books has been chosen by your school to provide an all in one online ordering system for your child's digital and physical textbook supplies.

Ordering your child's school resources

Ordering via the BoB shop is quick and easy. It is important that you place your order online by no later than

Sunday, 8 December 2024 by following these steps:

1. Visit <https://shop.boxofbooks.com.au> to create your parent/guardian account
2. Add each student, nominating their school and year group
3. Select the items you wish to purchase from the booklist shown
4. Use the checkout to organise postage and payment

Digital Delivery

Students with digital texts can access these without the need of an access code by signing into the Box of Books school portal using their standard school email login.

Your student's school portal can be found at:

<https://oxley-college.boxofbooks.io>

Physical Delivery

Physical books will be shipped to your home address. Delivery can be tracked through your Box of Books account. To ensure you receive all available items please order by **Sunday, 8 December 2024**.

Delivery, Packaging & Handling

If your order includes physical resources or books you will be charged a flat charge of \$15.95 for delivery if you order before **Sunday, 8 December 2024**. Any orders received after that date may incur a higher delivery fee. Digital only orders are shipping free!

Late Orders

We make every attempt to fully supply all physical orders; however, we cannot guarantee stock levels for orders placed after **Sunday, 8 December 2024**. Your order may be split into multiple deliveries.

Prices as at Wednesday, 6 November 2024

The prices provided are correct at the date of publication but are subject to change. Any changes to prices will be updated in the Box of Books Shop as they occur.

Refunds and Returns Policy

Our refunds and returns policy is available at:

BOOKLIST INFORMATION	Digital on BoB	Digital on BoB & Physical	Physical Only & Miscellaneous
<p>Where available, Box of Books offers the option of "Digital on BoB & Physical" or the cheaper option of "Digital on BoB". When the school requires students to use a specific format, this is noted on the booklist. Where not indicated, students can select either option based on their preference.</p> <p>Once purchased, the digital texts can be accessed by signing in to the student's Box of Books account. We strongly recommend students sign in to Box of Books before the start of school to ensure their textbooks and publisher interactives (e.g. online quizzes) are set up prior to the commencement of term.</p> <p>Please click here for more information on accessing your digital resources.</p> <p>To ensure you receive all available items in time for the commencement of the academic year, please order by Sunday, 8th December 2024.</p>

MATHEMATICS - PATHWAY TO ADVANCED/EXTENSION

Digital on BoB

Digital on BoB
& PhysicalPhysical Only &
Miscellaneous

You will either be enrolled in the **Pathway to Advanced/Extension (most students)** or the **Pathway to Standard (usually 1 class, maximum 20 students)**. After your Term 4 Yearly Examination, the Maths department will contact your parents through the Oxley App asking you to express a preference. Based on this, your record of mathematical achievement and application, and the recommendation of your teacher, we will make a decision to place you in the course that is in your best academic interests. You will be informed by December 2024 which course you will be studying for 2025, so **do not buy your book** until you know which course you are taking.

You **MUST** have a **print copy** of the textbook in class. This book is a new edition for a new syllabus in 2024 so you CANNOT use a second-hand book because it will be for the outdated syllabus.

The calculator listed for purchase here, the [Casio fx-8200AU](#), is the Oxley preferred calculator. If you already have a working calculator (probably the Casio fx-82AU), there is no urgent need to buy another, but there are functions on the 8200 that will give you advantages over the 82. See [the NESAs website](#) for all permitted models.

Please retain from previous years, only new students to purchase.
